

MAYTRx[®]

Five Stone System[®] Patent Pending

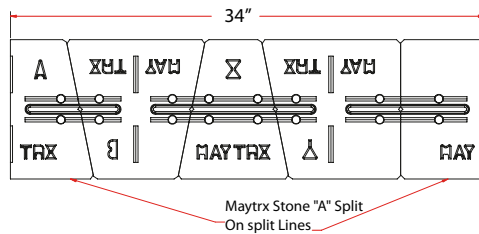

SQUARE BBQ

EASY TO BUILD

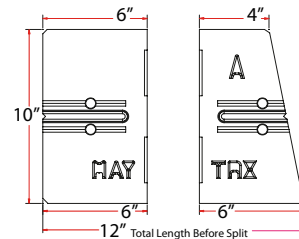

The **top row** below shows elements of the **MaytRx Square BBQ**.

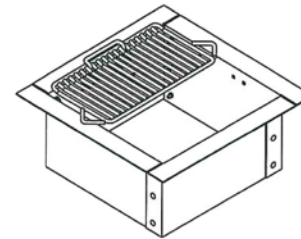

The **bottom row** below shows the construction of a two layer **MaytRx Square BBQ**. You may build taller BBQs by alternating more A and B layers.

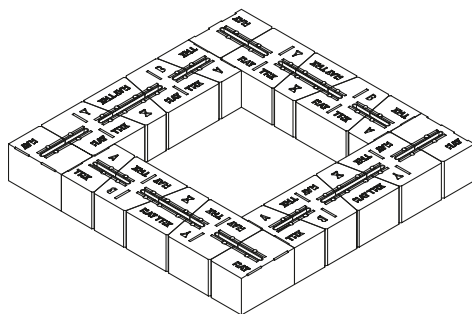

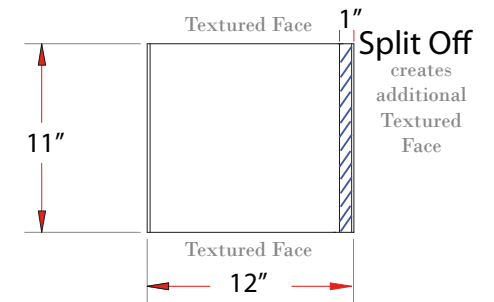

MaytRx stone layout for each side. Four sets per layer.

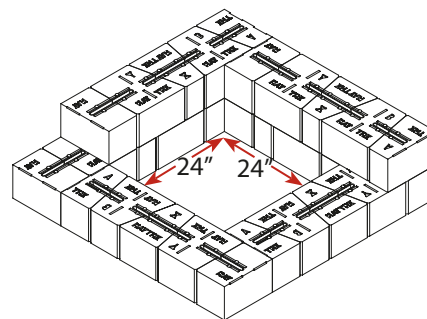

Use center split groove on all "A" stones.
